

Education:

M.Sc. Financial Engineering, WorldQuant University. January 2025 – January 2027

Professional Diploma in Data Analytics, Baze University, Abuja, Nigeria: February 2024 – May 2025

- **Relevant Coursework:** Advanced Excel Spreadsheets for Data Analysis, Power BI, Python and SQL for Data Analysis, ICT4D, Emerging Technology for SDGs and Business Intelligence Capstone Project.

B. Sc. Ed, Biology, Obafemi Awolowo University (OAU), Osun State, Nigeria, 2023

First Class Honours - **CGPA: 4.83/5.0**

Best Graduating Student, OAU's Faculty of Education with 8 Different Departments.

(Undergraduate Final Project {Quasi-Experimental Study} – The Influence of the Protégé Effect on the Long-term Retention of Biology Concepts among Students in Ife Central)

Areas of Expertise & Professional Development:

- Python programming and use of statistical software (SPSS, Excel and Stata).
- Deft usage of Business Intelligence and Reporting Tools (Power BI, Tableau)
- Data analysis and qualitative research in education, social science, predictive analytics, sales and customer sentiment analysis, and time series.
- Application of statistical modeling and machine learning to econometrics, geospatial analysis, and socio-economic forecasting.
- Certified Educationist – Taught science and monitored educational development in several full-time and freelance settings.
- Fluent in English and Yoruba (Nigeria, West Africa); excellent writing and communication skills.

Journal Publications:

- **Bello, M.P.**, Kareem, A. O., & Bamidele, E. F. (2025). Interactivity as a Retention Factor for Learning Biology with the Protégé Effect. *Journal of Teaching and Learning*, 19 (1), 107 – 130.
- Kareem, A. O, Oniyide, Z. & **Bello, M. P.** (2024). The Influence of Emigration Potential (Japa Syndrome) on the Teaching Motivation and Teaching Efficacy of Pre-Service Teachers. *Sapientia Foundation Journal of Education, Sciences and Gender Studies (SFJESGS)*, 6 (3), 235 – 251.

Research Conference and Symposium:

- **Bello, M.P.**, Kareem, A. O., & Bamidele, E. F. (2024, August). *The Influence of Interactivity on the Long-Term Retention Benefits of Learning Biology Concepts with the Protégé Effect*. Oral and Technical Presentation, Recognition and Appreciation of Research Contributions at the 12th International Mardin Artuklu Scientific Researches Conference, Mardin, Turkiye. **17-19th August, 2024**
- OAU/OAUTHC 2023 Global Surgery Symposium on “*The Research Trends and Methodologies in Clinical Surgery.*” **2023**

Teaching and Tutoring Experience:

Courses Taught: Freelance Departmental Tutorial Master (2019 – 2023)

- CHM 101 & 102 – “Introductory Chemistry I & II”, 2021, (Obafemi Awolowo University)
- CHM 207 – “Physical and Inorganic Chemistry”, 2021, (Obafemi Awolowo University)
- CHM 202 – “Basic Organic Chemistry”, 2022, (Obafemi Awolowo University)
- BOT 203 – “Introductory Genetics”, 2020, (Obafemi Awolowo University)
- BOT 202 – “Biometry”, 2022, (Obafemi Awolowo University)
- ZOO 302 – “General Entomology”, 2022 (Obafemi Awolowo University)
- MTH 105 & MTH 106 – “Elementary Mathematics for Biological Science I & II”, 2019, (Obafemi Awolowo University)
- STE 401 – “Long Essay”, 2023 & 2024, (Obafemi Awolowo University; Role was to guide junior and my colleagues on their final-year project)

Tutoring

March 2019 – Sept 2022	Science Tutor, Golden Virtue Remedial Academy, Ife, Osun, Nigeria.
Nov 2021 – Dec 2021	Biology Tutor, Adventist Secondary School, Ife, Osun, Nigeria.
Jan 2020 – Dec 2020	Science and Math Tutor, Best Option Tutorial College, Osogbo, Osun, Nigeria.
Nov 2019 – Dec 2019	Biology Tutor, St David Grammar School, Ife, Osun, Nigeria.
Jan 2017 – April 2018	Science and Math Tutor, Abundance Model College, Osogbo, Osun, Nigeria.

Work Experience:

March 2025 – Present	Data Scientist , Data Analytics and AI Team, Wema Bank Head Office, Marina, Lagos, Nigeria.
May 2024 – Jan 2025	Data Analyst , Directorate of ICT, Olabisi Onabanjo University, Ago Iwoye, Ogun, Nigeria. ➤ Performed general ETL processing on students’ database using Excel, Microsoft Azure and local MySQL server. ➤ Analysed reports of CBT examination schedules and attendances. ➤ Gleaned insights from sessional payment data.
Feb 2024 – Dec 2024	Data Science Intern , 3MTT Nigeria, The Founding Network, Osogbo, Osun, Nigeria.

- Performed logistic regression to predict cancer using the Wisconsin Health Dataset.
 - Conducted basic data preprocessing activities on the Titanic dataset.
 - Designed a customized web-scraping tool for gathering information from a specialized online public database.
 - Built a fully functional machine learning app called ESAAM (Exploratory and Sensitivity Analysis App) based on a LightGBM model for predicting Multi-dimensional Poverty Index (MPI) and analysing the impact of a tech training on reducing MPI.
- Jul 2024 – August 204 **Tax Analysis Intern**, KPMG US Forage Tax Simulation, US.
- Conducted initial research and made tax recommendations for a project.
 - Used Excel for data modelling and cleaning.
 - Utilised the “IRAC” approach to provide the client with a research memorandum
- Jul 2024 – Aug 2024 **Data Analysis Intern**, HNG Internship 11, Nigeria.
- Designed a dimensional model for sales analysis in a car repair shop using SQL queries.
 - Used key economic metrics to design a model for predicting productivity in Nigeria.
 - Used historical flood, weather and sea data to predict flood events.
 - Adopted geospatial analysis to detect rigging outliers in Nigerian election dataset
- Jul 2023 – Feb 2024 **Graduate Research Assistant**, Science and Tech. Education Department, OAU, Ife, Nigeria.
- Designed a healthcare community program for children aged under 5 using the Common Risk Factor Approach (CRFA) in line with the Ottawa’s Charter.
 - Handled and analysed real-time primary and secondary data (quantitative and qualitative – thematic analysis and coding tree) collected from various sources.
 - Wrote several manuscripts tested several hypotheses with both parametric and non-parametric statistical techniques and models to draw insights from data.
 - Designed 4 poster presentation and collaborated with a team of other research assistants on multiple projects pertaining to research designs and systematic reviews in education and social science.
 - Conducted scoping review and complex desk pilot study on Google-scholar-index journals focusing on Business Process Re-engineering (BPR) - **Freelance**
 - Performed dimensionality reduction and regression analyses on secondary economic data to determine the effect of banking systems on growth (Real GDP), inflation and foreign exchange rates in Nigeria. - **Freelance**
 - Carried out EPA Probit analysis to examine the concentration-response relationship and effectiveness of the Dichloromethane extract of *Paullinia pinnata* against multi-antibiotic-resistant Gram-negative bacteria. - **Freelance**
- March 2020 – March 2021 **Head of Technical and Teaching Supplementary Services**, Lavender Tutors, Ife, Nigeria.
- Coordinated all activities associated with the usage of computing resources, blended teaching tools, and operation modes.
 - Suggested workable plans based on feedbacks obtained from employees (the tutors) and the clients.
 - Provided the blueprint of a web app for tracking the learning outcomes of the students and the tutors’ efficiency, thus providing insights on new ways to improve.
 - Developed an income-payment-benefit plan that balanced the pockets of the target clients and the need to satisfy employees (the tutors) based on data gathered during market survey.
- Jan 2020 – Present **Freelance Data & Research Analyst, Digital Marketer, and Writer**
- Scrapped thousands of online leads and feedbacks to draw insights for decision-making.
 - Developed linear and logistic models for clients across different niche from finance, healthcare and education.
 - Designed various third party quasi-experimental and social experimental research
 - Worked as a virtual assistant helping from project management to scheduling and making presentations.
 - Written hundreds of published and unpublished manuscripts, copies, and video scripts.
 - Developed dozens of landing pages, sales funnels and automations with 5 – 15% ROI increase in the first 8 months.
 - Suggested efficient marketing strategies based on insights from CRM reports and Google analytics.
 - Worked as a digital marketer for different clients across niches including cryptocurrency, audit and real estate.

Volunteering and Leadership Experience:

- July 2024 – Present **Data Analyst and Cohort Secretary**, HAVEK Leadership Academy.
- Created an assessment framework for scrutinizing scholars’ graduation criteria and analysing mentor’s performance;
 - Serving as cohort secretary for all correspondence and minutes;
 - Led a large organization capacity analysis using the USAID’s guide.
- May 2024 – Present **Research Lead and Interim Secretary**, Instride Pathways Youth Foundation.
- Currently part of the leaders of our most recent initiative named **Voice Africa**
 - Led a team comparing predictive efficacy of Logistic Regression, SVM and XGBoost on health datasets.
 - Gathered data of private secondary schools across Nigerian for CIAY; a targeted sensitization and development programme.
 - Serving as moderator and interim secretary, drafting correspondents to local and global partners.
 - Preparing presentations for pitch decks with stakeholders and partners.
- Oct 2024 – Present **Active Member**, Humanity First Foundation
- Played a major role in the planning committee and as a keynote speaker at the “**Pad-Up-A-Girl**” project that held in 11/2023 in Urban Day High School, Oyo State and and Irepodun High School, Osun., Nigeria. 1000+ students received sanitary pads, socks and sensitisation about menstrual hygiene.
- June 2021 – June 2023 **SRC Honourable Member**, Great Ife Student Union, OAU.

2023	Chairman, Audit Committee , Science and Technology Students' Association (STESA)
Nov 2023 – Dec 2023	Student Principal , Coalition of Student Teachers at Adventist Secondary School, Ife, Osun, Nigeria.
2019 – 2020	Director of Academics , Faculty of Education Muslim Students' Association (FEMSA; OAU Chapter).

Trainings and Professional Certifications:

- Microsoft Certified: Azure AI Engineer Fundamentals (AI – 900)
- AWS Introduction to AI
- HP Life Data Science and Analytics – **HP Foundation**
- English for IT 1 & 2 - **Cisco Networking Academy**
- Career Essentials in Data Analysis - **Microsoft and LinkedIn**
- Introduction to Career Skills in Data Analytics - LinkedIn
- AI Career Essentials (AiCE) - **Alx Africa**
- Fundamentals of Digital Marketing - **United Latino Students Association and Google**
- Introduction to Logic for Computer Science - **University of Leeds**
- Introduction to Behavioural Science in Public Policy – **World Bank Institute for Economic Development**
- Women, Business and Law - Introduction to Behavioural Science in Public Policy – **World Bank Institute for Economic Development**
- **Green Careers Boot Camp** – SGE Initiative (Dec 2024)
 - *Workshop on high-growth green sectors, essential career skills, and profile branding.*
- **Online Facilitated Dialogue on AI for Sustainability & Climate** – (Nov 2024)
 - *Focused on AI applications in climate adaptation and mitigation.*

Scholarships and Awards

- **2024** OAU Star Award of Excellence – In recognition of exceptional academic performance
- **2024** Best debater; MTG NYSC Rivers State Inter-Platoon Debate Competition
- **2023** Best Graduating Student (Summa cum laude degree) of Faculty of Education, OAU, Nigeria.
- **2023** Chief Dr (Mrs) Oluremi Tinubu (First lady's) Prize Award for the Best Graduating Student in STE Biology (OAU).
- **2023** Babs Fafunwa Educational Foundation Award.
- **2021** One-time Awardee of the UNIFEMGA Undergraduates' Merit Scholarship
- **2021 & 2022** Two-time awardee of the Aliu Abdul Kabir (AAF) Merit Scholarship.
- **2023** Departmental Association Award of Leadership and Academic Excellence¹

Professional Affiliation:

- Registered Teacher with Teachers' Registration Council of Nigeria (**TRCN; OS/R/07203**), 2023 to date
- Registered Data Analyst with Nigerian Society of Data Analysts and Business Intelligence Experts (NSDABIE), 2024 to date
- Registered Data Scientist with Data Science Nigeria (DSN: **DSN/AIPlus/2025/44220**), 2025 to date
